## یکی از ما

در این مجموعه از سر آغاز زندگی ام یعنی کودکی الهام گرفته ام و از طرفی نگاهم به درک پنهان نسل امروز بوده است، نسلی که درکش از محیط پیرامون خود و جهان بینی فردی اش را به شکل دیگری تجربه می کند. مقابل این موضوع /ایده من در وضعیتی رازآلود قرار می گیرم، که گویی در این موقعیت پاسخ هایی مرموز برای سوالاتی غریب می یابم تا در مواجهه ام با موضوع /ایده، مکاشفه ای عمیق تر را تجربه کنم.

## One of us

Inspired by the outset of my life by which I mean my childhood I have laid one eye upon the unseen perception of today's generation; a generation busy experiencing its own understanding of the encircling environment and its individual ideology, by some other means  
Mysteriously positioned, I stand vis-à-vis this subject, idea, as if I find myself discovering puzzling answers for strange questions, just to explore a deeper discovery once encountered with the so-called subject,idea.
