Amin Shayani

Amin Shayani was born in 1996 in Tehran. He graduated with a Bachelor's degree in Painting from the Faculty of Art and Architecture at Tehran Central University. His works evolve organically throughout the creative process. This development emerges from the interplay between spontaneous, uncontrolled events and his prior studies and practices, all shaped by a novel understanding and perception of materials. Although his pieces are frequently categorized as portraits, they transcend traditional representational functions. Instead, they present and convey distinct emotional and mental states.
