زینب دلنواز نژاد، متولد ۱۳۶۴، مجسمه‌سازی است که در رشته صنایع دستی با گرایش سرامیک تحصیل کرده است. او حدود ۱۰ سال در زمینه مجسمه‌سازی، نقاشی و چاپ فعالیت کرده و آخرین نمایشگاه او در سال ۱۳۸۹ برگزار شده است.

مواجهه جمعی با مرگ تجربه‌ای متفاوت بود، انتظار رویارویی و ایستادن مقابل رنج و امید، با وجودی سترگ از "مادر"، ظریف، پر آشوب، با پاهای فرو مانده در فقدان.

این مجموعه در اختیار خیال "مادران فرزند مرده است" همذات پنداری ای در جهت اشتراک رنجی فردی و جمعی در جریان اجتماع گذشته، حال و پیش رو....

* به خاطر ارج نهادن زمان و درگیر تکرار روزمره‌ی این تجربه‌ی مادرانه از فقدان و سوگ بودن، تمام کارهای کوچک بدون قالب و با دست تراشیده شده‌اند.

Zeynab Delnavaz Nejad, born in 1985, is a sculptor who studied handicrafts with a focus on ceramics. She has been active in the fields of sculpture, painting, and printmaking for about 10 years. Her most recent exhibition was held in 2010.

* A collective encounter with death was a different experience—an anticipation of confrontation, of standing face to face with pain and hope—embodied in a vast presence of the "Mother": delicate, chaotic, with feet sunk deep in loss.

This collection is entrusted to the imagination of "mothers who have lost a child."

It is an act of empathy—sharing both personal and collective grief as it flows through the fabric of past, present, and future society.

In honor of time, and in response to the repetitive, daily embodiment of this maternal experience of loss and mourning, all the small pieces in this collection are hand-carved without molds.
